OCTOBER IS NATIONAL PET WELLNESS MONTH!

National Pet Wellness Month is here. The American Veterinary Medical Association (AVMA) designates each October to raise awareness of companion animals aging process, disease prevention, and the importance of twice yearly examinations for dogs and cats. For more information on National Pet Wellness Month visit <http://ormondvets.com/wellness.cfm>. To recognize National Pet Wellness Month and raise awareness, Atlantic Animal Hospital is offering special incentives to you and your companion animal. In celebration of our 35th anniversary we have extended some of these promotions.
